Farm and Stock News

The I. J. has so little space in to-
day's four-page paper that it is com-
pelled to carry most of its report of
Court Day stock sales over till Fri-
day's issue, when all it was able to
obtain—and there is quite a bunch
of them—will be printed.

Spoonamore & McKecknie, of the
Hubble section, sold a half dozen
shoots last week to Jerry Caldwell,
of Boyle county, at 8 1-2 cents a
pound. The little pigs averaged 90
pounds.

Charles Lovell, on the Somerset
pike, sold to W. H. Shanks, of Stan-
ford, seven weanling calves, all by a
fine Poll Angus bull at \$30 a head.
He also delivered to Mr. Shanks a
couple of yearling steers for \$95.

One of the best mules sold here
during the court day trading was a
mare mule eight years old, which J.
C. McDonald, of West Fork, Tenn.,
sold to Bright, Ingram & Fox, of
Danville, for \$225.

Clyde Sturgeon, general manager
of the Sturgeon Real Estate Co., of
King's Mountain, has sold the Mau-
rice Singleton property to George
Sturgeon, and rented W. G. Brad-
ford's farm to him.

Yowell & Eads, of Hustonville,
purchased of Walter McKinney, of
Mt. Salem, 31 head of 150-pound fat
hogs at nine cents a pound and one
fat cow for eight and a half cents
from Stewart Hanson.

J. B. Dyer, of Clinton county, was
on the market here Monday with a
cocking nice bunch of feeding steers.
He had no trouble in disposing of
them at top prices, getting 6 1-2
cents a pound for 33 head. J. M. Coy,
of Madison county, bought them. The
bovines averaged 837 1-2 pounds.

L. O. Martin, of Lilly Dale, Tenn.,
who is one of the regulars here on
court days, from below the border,
sold half dozen nice steers that aver-
aged about 800 pounds, at \$6.12 1-2.
J. M. Coy, of Madison, got three of
them weighing 2,790 pounds; and
Mason Dunn, of Madison got the
other three, totalling 2,380 in weight.

The biggest purchase of live stock
on the market here Monday by any
one buyer was that of Simon Weil,
of Lexington, who is buying sloppers
for his trade just now. Mr. Weil se-
cured a total of 212 here, and they
cost him from 5 to 6 3-4 cents a
pound. He bought nine young bulls

Tanlac, the Great New Medicine, Sweeps Over Nation; Merit Wins and Multitudes Give It Praise

"Made Me Younger"—"Put Me Back on The Payroll"—
"Gave Me New Life"—In The Thousands of En-
dorsements Given Master Medicine

This is Tanlac Week.

More than seven million five hundred thousand bottles of Tanlac have
been sold in the United States in the two years since the first bottle was sold.

That fact alone is sufficient explanation why Tanlac Week should now
be celebrated in cities throughout the United States. The tremendous and
unprecedented success of Tanlac could not have been achieved without true
merit. The 8,000 druggists who are giving Tanlac their renewed endorse-
ments by special displays this week know that they have behind them the
unqualified endorsement of Tanlac by millions of satisfied customers.

No other medicine has ever had the same success that Tanlac has won
as a tonic, appetizer, invigorant and revitalizer. Its fame was instantaneous
and it spread through the country until today it is known everywhere as The
Master Medicine.

TRUE WORTH EXPLAINS SUCCESS

Tanlac's success is easily explained—true worth. The tens of thousands
of men and women who have endorsed it praise it because they are grateful
for the relief Tanlac has given them.

To suffer from sleeplessness, indigestion, nervousness, rheumatism,
belching and bloating from gas; dizziness and biliousness; kidney and liver
troubles, pains in the stomach, the back and the head for years, and then to
get relief through a tonic that is pleasant to take, gentle and gradual in
its results, renewing the appetite, aiding assimilation, and restoring health,
vigor, ambition and strength, is enough to make people grateful.

Tens of thousands of people have said that Tanlac is The Master Me-
dicine. Tanlac Week therefore means something to them.

ENDORSEMENTS ARE REMARKABLE

Some of the endorsements of Tanlac are remarkable. They show that
taking Tanlac was a profitable investment for sick, weak, nervous, run-
down men and women—profitable in more than one way. Some of the
praise of Tanlac is in phrases that are written over and over.

"I feel like a new man"—"Tanlac has put me back on the payroll"—"I
never lay off from my work since I took Tanlac"—"I do twice as much work
as I used to"—"Tanlac has made me feel twenty years younger"—"I wake
up in the morning feeling fine now."

Many women have written, "I have my natural color back since I took
Tanlac"—"I feel like a girl again"—"My neighbors ask me what I have done
to look so young and my answer is Tanlac"—"I feel like a different woman;
my housework is a pleasure since I took Tanlac"—

Those are some of the expressions which tens of thousands of men and
women have used, in statements praising Tanlac.

TANLAC MEETS A NEED

Prepared from a secret formula, purely vegetable and absolutely free
from mineral taint, Tanlac has met the need of a great reconstructive tonic
to feed while it heals sick, sore stomachs; to promote digestion, aid assimi-
lation, induce healthy and normal function of the digestive apparatus, and to
build up health and strength in a natural way.

Throughout the vast world Nature has placed remedies for the healing
of the nations. In Tanlac the best of them are merged for a sensible, reliable
remedy. In Tanlac nature offers the great natural remedy for the everyday
ills from which millions of men and women suffer.

The ingredients or medicinal elements which make Tanlac come from
far separated sections of the globe. It is as though Nature, planting her gar-
dens in every zone of the vast world, permitted man to select the best for
compounding into a great remedy. Man has spared no expense or labor to
get these best ingredients.

NOW A HOUSEHOLD REMEDY

Roots, herbs and barks best suited to a great tonic are used in the mak-
ing of Tanlac. They are selected scientifically and blended with care. In
order to insure a supply of them for Tanlac, The Cooper Medicine Company
bought large amounts of certain ingredients. Ten tons of one ingredient
were bought on one order.

Tanlac's success, starting so quickly, is lasting. It has become a house-
hold remedy and is in two million homes because it is the great medicine
which Nature offers from her best products.

Millions of people know this and Tanlac therefore is praised every-
where as The National Tonic—the upbuilder of health and strength through
the stomach, blood and nerves.
